About The Developer

Facibus Housing

We are a second-generation legacy built on trust, experience, and an unwavering commitment to excellence. Over the past two years, our journey has been nothing short of remarkable.

We take immense pride in our remarkable achievement of building and developing over 100 units of houses through our prestigious Pentagon Court Housing Series. This success story unfolds from Phase 1 to Phase 5, located in the coveted Ikota region of Lekki, Lagos.

Our experience speaks volumes. It is a testament to our dedication, meticulous planning, and an unyielding pursuit of perfection. With each phase, we have redefined the standards of affordable and quality living and ensured the complete satisfaction of our homeowners as we move on to more luxurious projects like Highbury Heights.

At Facibus Housing, we are not just developers; we are creators of dreams and architects of enduring legacies. Our reputation for delivering on our promises, adhering to the highest standards of quality, and going the extra mile for our valued clients is what sets us apart.

When you choose Facibus Housing, you are not just investing in a home; you are investing in the experience, trust, and reputation of a second-generation real estate developer that is committed to making your dream home a reality. Welcome to a legacy of trust and excellence
